

Construction update South Brisbane

July 2022

Brisbane Metro

Queensland Cultural Centre

Artist's impression

Brisbane City Council is delivering the turn-up-and-go Brisbane Metro – a new era of connected transport.

Major infrastructure works are now underway in South Brisbane and will continue until 2024.

The next stage of construction will begin in August 2022 and involve works at the Cultural Centre station, on Grey Street, Melbourne Street, Merivale Street and Montague Road, including:

- site establishment, including installing traffic barriers and hoarding
- temporary and permanent changes to public transport, general traffic, and cyclist and pedestrian movements
- the replacement of two Cultural Centre Station lifts (near the Queensland Museum and Queensland Performing Arts Centre (QPAC))
 - **lift access to the Cultural Centre station will be maintained during this work.** Work will also occur on the lift servicing the existing inbound platform
- road, footpath and urban realm upgrade works at the intersections of Merivale Street and Melbourne Street, and Montague Road and Merivale Street
- precinct-wide service relocation and installation works
- intermittent site investigation works will continue in the area during major construction activities.

Every effort will be made to minimise the impact of these works on nearby businesses and residents.

KEY CHANGES FROM 15 AUGUST 2022

Major public transport changes

- temporary closure of Cultural Centre station platform 2
- relocation of all outbound South East and Eastern Busway services to the temporary platform 2, located on Melbourne Street
- relocation of all outbound West End and Highgate Hill services to the temporary platform 3, located on Melbourne Street.

Traffic, cyclist and parking changes

- permanent removal of the left turn from Hope Street onto Melbourne Street for all vehicles
 - Grey Street to be accessed via Merivale Street and Glenelg Street.
- temporary removal of the dedicated cycleway along Melbourne Street, from Victoria Bridge to Hope Street
- temporary removal of five on-street parking spaces on Montague Road and permanent removal of four on-street parking spaces on Merivale Street to facilitate new bus layover zones. Five spaces within the Merivale Street carpark will also be removed.

Traffic management will be in place to safely direct motorists, pedestrians and cyclists as required.

Please refer to the map over the page, which illustrates the above changes and the construction work areas.

Major construction works timings are subject to weather, construction conditions and COVID-19.

KEY CHANGES FROM 15 AUGUST 2022

Map is indicative only

What to expect

During major construction, nearby residents and businesses can expect:

- work hours (both standard and out-of-hours):**
 - standard hours: Monday to Friday from 7am to 6pm, and Saturday from 8am to 1pm
 - out-of-hours: Sunday to Thursday from 7pm to 5am
- noise, dust, vibration and light** – can be expected from the use of construction machinery
- pedestrian and traffic changes** – detours and diversions around the work areas will be in place
- vegetation removal** – may be required and will be undertaken in accordance with Brisbane City Council's Natural Assets Local Law.

Subscribe for construction updates
